

COOKIES POLICY

1. Use of Cookies This website uses cookies and similar technologies to ensure platform security and improve user experience.

2. Types of Cookies Used

- **Strictly Necessary Cookies:** Essential for the technical operation and security validation of the site (e.g., prevention of automated traffic/bots), including services provided by third-party tools such as **Cloudflare Inc.**
- **Analytical Cookies:** This site uses third-party tools such as **Google Analytics (Google LLC)** to statistically analyze user behavior and improve the information architecture. These tools may involve international data transfers as established in CNV's Personal Data Processing Policy.

3. Legal Basis and Consent The use of strictly necessary cookies is based on our legitimate interest in keeping the site secure and operational. **The legal basis for the use of analytical cookies is the user's prior consent**, granted through the cookie banner upon entering the website.

4. Configuration Users may configure their browser at any time to block, restrict, or delete cookies installed on their device.
